Classical Conversations Cycle 3 General History References

Other General History Books from Christian Liberty Press:

Our Nation Under God
A Child's Story of America
Exploring American History

Other great resources and curriculum to supplement Foundations

Story of the World Vol IV (CC)

Great, thorough, "story-style" resource, not strong on Christian worldview \$\$

Kingfisher History Encyclopedia (VP)

Great general reference, not strong on Christian worldview \$

Streams of Civilization Vol II

Great general reference, strong Christian worldview

Mystery of History Vol III

Strong Christian worldview with activity pages \$

History in His Hands

Strong Christian worldview, concise readers \$

Tapestry of Grace

Strong Christian worldview, classical approach, thorough, detailed history curriculum with lesson plans laid out for you. \$\$\$

Sonlight History Core

Strong Christian worldview, literature-based, thorough, detailed history curriculum with lesson plans laid out for you. \$\$\$

Classical Conversations Cycle 3 -- Science Readers & References

Weeks 13-18 - Elements, Atoms	, Periodic Table of Elements	
☐ Elements Gr.PreK-Adult (RR)	☐ Atoms, Stewart. Gr.1-3 (RR)	
☐ Elements Intro to Chemistry Curriculum w/ CD Gr.3-7 (RR)	☐ Properties of Atoms and Molecules, Lawrence. (RR)	
☐ A Guide to the Elements, Stwertka. Gr.PreK-Adult. (RR)	□ Discovering Atoms, Molecules, and Matter,	
☐ Periodic Table - True Book (Elements), Tocci. (RR)	Zike/Simpson. Gr.K-8 (RR)	
Periodic Table posters, placemats, & pocket charts (RR)	☐ Learning About Atoms. Gr.PreK-Adult (RR)	
Weeks 19-24 - Science C	Catechesis Questions	
☐ Sing The Word: The Heavens Declare (S)	□ Dry Bones and Other Fossils, Parker. PreK-Adult (RR)	
☐ <u>It Couldn't Just Happen</u> . (CC)	☐ The Genesis Files, Wieland. Gr. 3&up (RR)	
CC Mission To Know God and to Make Him Known CC Vision Classical Conversations exists to empower parents in the academic teaching of their children through Parent Practicums; as well as establish and support Classical Christian Communities that enable parents everywhere to equip their children with (1) a biblically-based world view and (2) the classical "tools of learning", in order to impact the world for God's glory.		

The 2008 CC Top 10 Favorite Resources for Foundations/Essentials for Parents:

Understanding the Classical Model and Modern Education issues...

- 1 An Echo in Celebration
- 2 Recovering The Lost Tools of Learning
- 3 Teaching the Trivium
- 4 The Well-Trained Mind

Parent references for teaching reading, phonics, spelling, & basic grammar at home...

- 5 The Writing Road to Reading
- 6 Harvey's Elementary Grammar
- 7 Our Mother Tongue

Parent references for teaching mathematics at home...

8 Understanding Mathematics: From Counting to Calculus

General Parenting

- 9 Hints on Child Training by Henry Clay Trumbull
- 10 Shepherding a Child's Heart by Ted Tripp
